RAM SUDHARSAN S

+91 8870760502 | ramsudharsan007@gmail.com | Portfolio | LinkedIn | Chennai

SUMMARY

- **Front-End Developer (React)** with **more than 3 years** of hands-on experience, specializing in crafting responsive, user-centric web applications using **React 18, JavaScript (ES6+)**, and modern UI frameworks.
- Proven ability to design responsive, accessible, and maintainable interfaces that enhance user experience and performance, with a strong focus on web accessibility standards (WCAG 2.2) and cross browser compatibility
- Recognized for improving code efficiency, leading cross-functional teams, and driving frontend innovation through modern practices and AI-assisted tooling.

EXPERIENCE

Hubstream India Pvt. Ltd.

✓ **Senior Software Development Engineer** | *Oct 2025 – Present*

- **Leading a cross-functional squad** of 3 junior developers, driving full-cycle feature delivery and frontend architecture.
- Conducting detailed code reviews and mentoring junior developers, **improving code quality by 35%**.
- Collaborating with product and design teams to ensure technical feasibility and timely execution.

✓ **Software Development Engineer** | *Aug 2023 – Sep 2025*

- Designed scalable front-end architecture aligning technical solutions with business objectives and user experience.
- Contributed ideas and technical insights in design discussions and brainstorming sessions to shape intuitive and user-friendly UI solutions.
- Leveraged **GitHub Copilot and AI tools** to **accelerate development by 30%** and boost overall productivity.
- Executed manual and automated test cases, investigated **UAT** failures to ensure quality and stability before release.

✓ **Software Development Engineer Trainee** | *May 2023 – Jul 2023*

- Implemented responsive designs with **100% mobile compatibility**, across all major device breakpoints and browsers.
- Participated in agile processes, contributing to **10+ successful sprint deliveries** with zero missed deadlines.

✓ **Intern** | *Feb 2023 – Apr 2023*

- Built foundational React.js skills while leveraging existing UI development experience.
- Gained expertise in Git workflows, collaborative development practices, and modern development tooling.

SKILL CLUSTER

HTML5 | CSS3 | LESS | SASS/SCSS | Tailwind CSS | Bootstrap | Web Accessibility | Cross-Browser Compatibility | Hugo (SSG) | JavaScript (ES6+) | React 18 | Redux Toolkit | React Router | Rest API | Jest | | Node JS | Webpack\Vite| CI/CD | Git | Azure DevOps (Boards, Pipelines) | NPM | Agile/Scrum | Test-Driven Development

EDUCATION

Bachelor of Engineering in Electronics and Communication Engineering (ECE) – 7.52
Kamaraj College of Engineering and Technology – 2022

CERTIFICATION

- Web Development Foundation: HTML5, CSS3, Bootstrap (*Udemy*).
- Front-end Web Development (*Besant Technologies)*

CAREER ACHIEVEMENTS

- **Star Award** – *Oct 2023*

  Outstanding contribution to product development and cross-functional team collaboration.
- **CTO Recognition Award** – *Apr 2024*

  Recognized for exceptional technical innovation and leadership in frontend architecture
